

# Employee Assistance Program

Pointing You In The Right Direction

We all experience times when we need a little help managing our personal lives. Your employer understands this and is providing the Employee Assistance Program (EAP) to covered employees in connection with your group insurance from Standard Insurance Company, to offer support, guidance and resources to help you and your family find the right balance between your work and home life.

## What Can The EAP Do For Me?

Experienced member advocates – many of whom hold master’s degrees within their respective disciplines – will confidentially consult with you over the telephone and direct you to the solutions and resources you need.
